IMPORTANT NOTICE

Website Development

Everything you need to launch your digital presence:

- Domain + Hosting Setup (or assistance if you already have one)
- Unlimited Revisions until you're happy
- Fully Responsive (Mobile + Tablet + Desktop)
- Fast Loading & SEO-Friendly
- Security Best Practices implemented
- WhatsApp/Call Support throughout the project
- Admin Dashboard / CMS Integration (optional – for blog, content update, etc.)

IMPORTANT NOTICE

Custom Dashboards / Web Apps

Perfect for businesses needing internal tools, panels, or client portals:

- Tailored UI & Data Architecture
- Scalability Ready – designed to grow with your business
- API Integration / Database Connectivity
- Admin Roles & User Permissions setup
- 6 Months Technical Support after delivery
- Future Update Possibility (on demand)
- Cloud Hosting Setup (if needed – AWS, Vercel, etc.)

IMPORTANT NOTICE

Branding & Identity Design

Let your business stand out with a bold and consistent visual language:

- Logo Design (3 initial concepts + unlimited refinements)
- Brand Colors & Typography System
- Business Card + Letterhead Design
- Brand Guidelines (PDF)
- Social Media Kit (Instagram templates, post banners, etc.)
- Visual Identity Consultation to align with your business vibe

IMPORTANT NOTICE

UI/UX Design (Figma)

Crafted for user engagement and seamless interaction:

- Wireframes + High-Fidelity UI
- Mobile-First + Responsive Layouts
- Figma File Delivery for dev handoff
- UX Research / Flow Planning (if required)
- Micro-interactions / Hover states
- Custom Icons / Illustrations (if needed)

TERMS AND CONDITIONS

- 20% advance payment is required to confirm the booking and start the project.
- The remaining 80% is due upon project completion before final handover.
- Project delivery time is typically 5–10 working days, depending on scope and complexity.
- Unlimited revisions are included, unless there is a major layout or feature change, which may incur additional charges.
- We provide a free domain (basic tier). For custom or premium domains, the client will need to pay the price difference
- If the client already owns a domain/hosting, we can assist in connecting and setting it up.
- Final files, admin access, and full control will be handed over only after the final payment is completed.
- Additional features or future updates post-delivery can be handled as a separate engagement.
